THE NEWS DURING THE PRESIDENTIAL CAMPAIGN.

We desire to have the NEWS largely circulated during the Presidential campaign. The larger our subscription list the more effectually will we be enabled to work, and to this end we trust our friends and patrons will exert themselves somewhat in adding to our present list. The nation will in November declare for GREELY and BROWN, and it is essential that North Carolina should place herself squarely on this liberal movement—for such a consummation will we earnestly labor.

In order to place the DAILY and WEEKLY NEWS within the reach of all, we will send them for a period of four months at the following rates:

DAILY NEWS.

One copy	$ 2 25
Five copies	10 00
Ten copies	17 25

WEEKLY NEWS.

One copy	$ 60
Five copies	2 50
Ten copies	4 50
Fifteen copies	6 00
Twenty copies	8 00
One hundred copies	35 00

We trust our friends in the State will assist us in adding names to our list, as by a little exertion on their part we can be enabled to accomplish much good during the present campaign.

LOCAL MATTER.

E. C. WOODSON, City Editor

LOCAL BRIEFS.

The weather has become quite pleasant since the rains of last week.

A thousand more subscribers to the NEWS wanted before the first of January next.

The Chief of Police had a lot of spoilt beef and sausage removed from the market house Saturday.

Conductors will be placed on the freight trains on the North Carolina Railroad on and after to-morrow.

Prof. W. B. Royall, of Wake Forest College, accompanied by his wife and daughter, were in the city Saturday.

The Police Court Saturday was devoid of any interest to "ye local." Not a single case of any kind was reported.

Deer are reported to be numerous in the southern portion of this county. "Does" are quite numerous in this city, as our street daily give evidence.

Our merchants and others will remember that the job office of the NEWS is prepared to turn out all manner of work at the shortest notice, and upon the most reasonable terms.

Business was brisk and lively in town Saturday. Martin, Exchange Place and Hargett, were blocked with wagons and drays, and once or twice the police were called upon to open the streets.

All hands in the office return thanks to Tom Harrison, with Miller & Nelson, under the market, for a nice lot of refreshments, some of which were *spiritual*, which came just in the nick of time Saturday.

Harriss, of the *Era*, made a *staving* mistake in his local notice of Bro. Dickey's marriage, the editor of the Jefferson *Messenger*. Of course, the fault was with the compositor, or Harriss is a very ugly talking fellow.

At the telegraph office in this city a new arrangement has been effected, for "cutting off," which requires the use of an instrument, with almost as many wires attached to it as the strings of a harp, and resembles somewhat this musical instrument. Syme, will count the wires to-day.

The NEWS dined at the National Hotel Saturday, and feasted on that most delicious of seasonable dishes, shrimps, a great luxury, especially to up country-ite. Churchill has all the elements of a first class hotel keeper, and we are glad to see the National prosperous, and prospering under his administration.

THE "BEAN SHOOTER" NUISANCE.—We have before taken occasion to speak of the "bean shooter" nuisance, which seems to be an epidemic with the boys in this city. Saturday last a small negro boy was shot in the eye by a white boy—all in play, but it resulted in the loss of the boy's eye. The boys have destroyed with their shooters over $50 worth of window lights of the Baptist Church; the gas lamps of the city have been almost riddled with them, and the practice is fast becoming an intolerable nuisance.

The attention of parents is respectfully called to this nuisance, that means should be taken to arrest its progress.

OUR CHURCHES TO-DAY.—Divine services will be held at the following Churches to day, (Sunday.) Strangers and others in the city are earnestly and cordially invited to attend. Gentlemanly ushers will be present to conduct visitors to pews which are always free:

Edenton Street Methodist Church, Edenton street, Rev. A. W. Mangum, officiating. Services at 11 o'clock A. M. and 7½ o'clock P. M.

Baptist Church, corner Salisbury and Edenton streets, Rev. T. H. Pritchard, D. D., officiating. Services at 11 o'clock A. M. and 8 o'clock P. M.

Christ's (Episcopal) Church, Wilmington street, Rev. R. S. Mason, D. D., officiating, services at 11 o'clock A. M. and 3 o'clock P. M.

Presbyterian Church, corner Salisbury and Morgan streets, Rev. J. M. Atkinson, D. D. officiating. Services at 11 o'clock A. M. and 7½ o'clock P. M.

Person Street Methodist Church, Person street, Rev. Mr. Raven officiating. Services at 11 o'clock A. M. and 7½ o'clock P. M.

St. John's (Catholic) Church, corner Morgan & Wilmington streets. Rev. J. V. McNamara, priest, officiating. High mass at 11 o'clock. Vespers at 3 o'clock P. M.

ONE YEAR AGO TO-DAY.—Just one year to-day the business public of Raleigh and the surrounding country have been supplied with the market telegraphic reports, commencing last September with the *Carolinian*, and continued by the NEWS, when we bought the former paper out in February last. Without the intermission of a day, this public has been supplied with this news, at a cost to us of $5 per day, and for this expenditure, be it said to the liberality of the business men of Raleigh, especially, we have been handsomely rewarded and appreciatively sustained.

To a community of the commercial interests of Raleigh, the importance of daily news and market reports by telegraph cannot be over estimated, and by referring to the matter here we merely desire to say to our friends and and patrons that we shall continue to serve them as we have done, and we confidently look for such continuance and increase of patronage as our paper and our efforts to serve the public shall merit.

A MOVE IN THE RIGHT DIRECTION.—Some of the members of our coming Legislature, fully appreciating the depleted, worn out and exhausted situation of our good old State, and the complete blindness of the farmers who should use common sense for her restoration, have determined to use the following mode of convincing them of their folly: They propose to lessen the tax on all farmers, who are not only alive to their own interest but whose State pride prompts them to promote the general welfare of the people and decrease their tax in proportion to the quantity of clover or grass seed sown, and in like proportion increase the tax on those who seem evidently determined to exhaust their lands with all possible speed, and then sell out and leave. We are glad to see our grocery merchants anticipate the move and laying in a large stock of seeds to supply the demand.

APPOINTMENTS.—The General Agent for the North Carolina Masonic Temple Association has made the following appointments for Alamance county—Worshipful Masters are requested to call their Lodges together at the times appointed:

Eureka Lodge No. 208, Tuesday October 1st.

Industrial Lodge No. 212, Wednesday, October 2nd.

Mt. Herman Lodge No. 247, Thursday, October 3rd.

Cane Creek Lodge No. 142, Friday, October 4th.

Pleasant Hill Lodge No. 168, Saturday, October 5th.

"THE SPIRIT OF THE AGE."—This is the name of a new weekly, published by Messrs. Edwards & Broughton, in this city, the first number making its appearance on Saturday. It is published in the interest of the order of Good Templars, and has for its contributing editors the Revs. T. H. Pritchard and H. T. Hudson. The *Spirit of the Age*, succeeds the *Banner of Temperance*, recently published by Theo. N. Ramsey, Esq. We wish the new enterprise much success.

COLORED MEMBERS OF THE NEXT LEGISLATURE.—There will be in the next Legislature, as far as we can ascertain, 16 colored members—4 in the Senate and 12 in the House. This is a gain of one in the Senate and a loss of some four in the House.

NOTICE TO TAX-PAYERS.—See the notice in another column from M. Grausman, concerning tax payers.

HERE AND THERE.

When is the book of Nature studied? When autumn turns the leaves, and they are *red*.

Clouds are the veil behind which the face of day coquettishly hides itself, to enhance its beauty.

Most of the shadows that cross our path through life are caused by standing in our own light.

"No cows, no cream," was the way an intelligent compositor set up the words "No cross, no crown."

The pleasantest things in the world are pleasant thoughts, and the greatest art in life is to have as many of them as possible.

The man who would shine in conversation must possess original ideas and strong sympathies—be able both to communicate and to listen.

Wit and gaiety answers the same purpose that a fire does in a damp house—dispersing chills and drying up mould, and making all wholesome.

A gentle heart is like ripe fruit, which bends so low that it is at the mercy of every one who chooses to pluck it, while the hardier fruits keep out of reach.

An old bachelor, who bears his lonely state with much equanimity, says: "It is better to be laughed at for not being married, than to be unable to laugh because you are."

THE PHOENIX FIRE INSURANCE COMPANY.—We were pleased to meet in this city on Saturday, Mr. T. H. Dashiell, the general Supervising Agent of the Phœnix Fire Insurance Company, of Brooklyn, New York. The Phœnix ranks among the best companies in the country, as was proven by its promptly paying the loss of $350,000 sustained by the Chicago fire.

Mr. Douglas Bell, late the Agent of this Company, having resigned, Mr. Dashiell is engaged in closing up the business of the last twelve months, and has appointed Col. J. M. Tate as Agent. We accompanied Mr. D. in a ride around town examining the risks which have been taken by Mr. Bell within the last 12 months, and were pleased to hear his commendations upon the judgment which had been displayed by that gentleman. Although Mr. Bell has done a large business in the city, he has never sustained a loss.

WORK DONE AT THE INSANE ASYLUM.—We are requested by the Steward of the Insane Asylum to say, in answer to a suggestion of "An Advocate for Work," in a communication of the NEWS of the 38th, in regard to giving "the work of the Penitentiary and the Asylums to the poor, instead of appropriating the funds of those institutions to enrich a few already thriving persons," that all the work of that institution, appropriate to females, such as sewing, knitting, &c., is done by the inmates. The female attendants and patients make all the new garments, and mend all the old ones for the entire institution.

NATIVE TALENT.—We were shown yesterday a beautiful specimen of worsted work, representing a large bouquet of flowers, nicely encased into a beautiful walnut frame, the hand-work of Miss Florence McGowan, of this city.

The boquet is formed of a large variety of flowers, the various tints and shades of which are drawn out almost equal to nature.

Miss Florence is a pupil of her mother, Mrs. Patrick McGowan, who teaches this desirable accomplishment to classes at her residence on Salisbury Street. She also teaches wax, wire and hair work, and if desired, will wait on ladies at their residences.

THE APPROACHING FAIR.—The Executive Committee of the State Agricultural Society were again in session on Saturday evening. Arrangements are progressing for the approaching Fair. A list of special premiums will be out in a day or so. From what we learn a complete success may be looked for and the coming Fair will doubtless eclipse every previous one.

BACK-BONE.—A new way to announce more *back-bone* to a firm, is to place the back-bone of a whale in front of your door."—*Spirit of the Age.*

"Kurrect," neighbor. The bone in front of our door indicates correctly that the NEWS is not wanting in backbone, but is doing a *whaling* business. We hope, however, you will not consider us *fishy*.

RELIGIOUS NOTICE.—At 11 o'clock to-day (Sunday,) at the Methodist Church, the ordinance of baptism will be administered to candidates for membership and the door of the church opened for the admission of members. Up to date there have been 30 or more conversions in this church, and still the interest increases and extends.

PERSONAL INTELLIGENCE.—

Geo. Peace, Esq., representing a well known Fruit Canning establishment in Baltimore, is in the city.

The *True Democrat*, Blanton Duncan's paper, after about three week's trial, has suspended.

Mrs. Mary Clemmer Ames is writing a memoir of the late Alice and Phœbe Carey.

McCormick, candidate for delegate to Congress from Arizona, has no opposition.

NOON DISPATCHES.

Pardoned.

PHILADELPHIA, Sept. 28.

This evening, ex-City Treasurer Mercer and Charles T. Yerkes, the broker, who were convicted and sentenced to the eastern penitentiary last winter for embezzling the city funds, were released upon a pardon from the Governor. The pardon was brought from Harrisburg by Col. Lee, Private Secretary of the Governor, and B. Bucher Swope. A number of the friends of prisoners, was at the penitentiary when the pardon arrived. To the pardon there is a condition. This states that if there is any money paid for services in connection with the receiving of pardons, then they are to be null and void. These conditions were accepted by the prisoners. Since his release, Yerkes has made affidavit, denying the charges made against him and Gen. Hartranft and the authenticity of the papers which have been issued as evidence against him, and alleged to have been signed by Yerkes. He adds that it is a base forgery. The release of the prisoners created great excitement in this city.

SPECIAL NOTICES.

A GLORIOUS RECORD.—Twelve years ago a few modest lines in a New York Journal invited public attention to a new Vegetable Restorative, and solicited a trial of its merits as a remedy for indigestion, biliousness, fever and ague, debility, nervous disorders, rheumatism, and all complaints requiring invigorating and regulating treatment. In this quiet, unpretentious way, PLANTATION BITTERS was introduced to the world. It was a success from the beginning. All that was claimed for it as a tonic, a corrective and antidote to malarious fever, was found to be strictly true. Within five years the annual sales of this article amounted to over One Million of Bottles. A few years more and the demand had swelled to five millions. The annual consumption of the bitters has now reached the almost incredible aggregate of six millions of bottles, and for every bottle sold a copy of the "Illustrated Medical Annual," published by the proprietors, at a cost of $150,000, is given away.

CARBOLIC SALVE, recommended by Physicians, as the great Healing Compound. Price 25 cents per box. John F Henry, sole Proprietor, 8 College Place, New York.

THE GALES OF ARABY are not spicier than the aroma which the fragrant Sozodont imparts to the breath. Nor is the heart of the ivory nut whiter than the teeth that are cleaned daily with that matchless fluid.

TO OWNERS OF HORSES.—No one who has ever used Dr. Tobias' Horse Venetian Liniment, will ever be without it; it is a certain cure for Colic, Sore Throat, Cuts, Bruises and Old Sores. Warranted superior to any other; in pint bottles, at One Dollar. Sold by all Druggists. Depot, 10 Park Place, New York.

BURNETT'S STANDARD FLAVORING EXTRACTS are neatly put up in Unpannelled 2 oz., 5 oz. and 10 oz. bottles, and are for sale by the trade generally in every principal city and town in the United States, Canadas, and British Provinces, as well as in many other foreign countries.

HELP FOR THE HOPELESS.—You are weak, dejected, miserable, and nothing does you any good, you say. Don't despair. There is balm in Gilead. Have you tried Vinegar Bitters? No! Then why don't you? Whether your complaint be dyspepsia, biliousness, nervous weakness, constitutional debility, or any other trouble, Vinegar Bitters will revive and renovate your shattered system, as a genial rain refreshes the withered flowers.

FOR DYSPEPSIA, indigestion, depression of spirits and general debility in their various forms; also, as a preventive against Fever and Ague, and other intermittent fevers, the Ferro-Phosphorated Elixir of Calisaya, made by Caswell, Hazard & Co., New York, and sold by all Druggists, is the best tonic, and as a tonic for patients recovering from fever or other sickness, it has no equal.

CHRISTADORO'S HAIR DYE stands unrivalled in the world. No lady or gentleman of discrimination uses any other. It is the most perfect, reliable and effective Hair Dye in the world. Manufactory, 68 Maiden Lane, New York.

THURSTON'S IVORY PEARL TOOTH POWDER.—The best article known for cleansing and preserving the teeth and gums. Sold by all druggists. Price 25 and 50 cents per bottle. F. C. Wells & Co., New York.

RISLEY'S BUCHU is a reliable Diuretic and Tonic for all derangements of the urinary and genital organs. The genuine, as formerly sold by Hartland, Harral & Risley, and their branches, is now prepared by H. W. Risley, the originator and Proprietor; and the trade supplied by his successors, Morgan & Risley, New York.

SNAPNIA, or opium purified, the most perfect anodyne in the market, made by process of Dr. I. M. Bigelow, Detroit Medical College. It throws out of use all other preparations of Opium.

PRATT'S ASTRAL OIL, has a world-wide reputation as the surest and best illuminating oil. Over two million gallons have been sold for the past two years, from which no accidents of any description have occurred. Send for circular. Oil House of Charles Pratt, established 1770, New York.

WE HAVE FREQUENTLY HEARD mothers say they would not be without Mrs. Winslow's Soothing Syrup, from the birth of the child until it has finished with the teething siege, under any consideration whatever.

THE SECRET OF BEAUTY.—What is it? no longer asked, for the world of fashion and all the ladies know that it is produced by using a delightful and harmless toilet preparation known as G. W. Laird's "Bloom of Youth." Its beautifying effects are truly wonderful. Depot, 5 Gold Street, New York.

☞ KOSKOO.—This celebrated Medicine has attained a high reputation, as a reliable remedy for Purifying the Blood, Restoring the Liver and Kidneys to a healthy action, and "Toning up" the Nervous System. Its numerous and remarkable cures of the worst forms of Scrofula, Dyspepsia, Rheumatism, Liver complaint, Kidney Disease, Eruptions of the Skin, Nervous Prostration, &c., has caused it to become a standard remedy. It is now prescribed by physicians, and recommended by our best citizens.

GIVE THE NAMES!

The Radical papers are boasting that there are one hundred and fourteen Straight Out Democratic papers in the South.

Let us have the list. Give us the names, and places of publication, by all means.

The Montgomery *Advertiser* says there is only one of that stripe in Alabama.

One little sheet, about the size of an ordinary pocket handkerchief, called *The Democrat*, we believe, has been started at Asheville since the collapse of the Louisville Convention.

That is the only one we have heard of in North Carolina.

The editor is one Flournoy, said to be a Carpet-bagger, and to have voted the Radical ticket last August.

The paper is said to be run by Radical money.

We have, therefore, found two Straight Out sheets—one in Alabama and one in North Carolina.

Now let us have the names of the one hundred and twelve others, said to be published in the South.

EVERY Township in the State should have a Greeley and Brown Club.

THE GIFT OF THIRTY ONE ACRES.

The people have been told time and again of the acts of our *gifty* President.

They have been told how the President has a peculiar habit of his own, of rewarding his donors immediately after their gifts have been received.

They have been told how the President rewarded A. T. Stewart, of New York, by making him Secretary of the Treasury, after Stewart had presented him with a house; how Borie was made Secretary of the Navy after his handsome contribution to Grant, and how Tom Murphy was made Collector of the Port of New York after he had donated him a handsome residence.

But one of the most disgraceful of Grant's gift transactions seems to have been comparatively lost sight of by our public speakers. We allude to the gift of one J. Russell Jones, of Chicago. Mr. Jones, in consideration of the sum of *one dollar*, donated to the President of the United States thirty-one acres of land in Chicago, worth many thousands of dollars. Mr. Jones was not related to Grant. Therefore the land was not given for love or natural affection.

In twenty days after the deed was made to Grant, J. Russell Jones, Esq., was appointed to the responsible position of Minister to Belgium!

But it was all right in Grant. Of course, our President, like the King, can do no wrong.

For the immense sum of one dollar, Mr. J. Russell Jones *sells* the President property in the growing city of Chicago which is worth thirty thousand dollars—and in less than three weeks afterwards the President gives J. Russell Jones an important and lucrative position!

But who will dare to charge President Grant with bartering the offices of the Government, in which the people have a property, for personal ends?

Who will say that the President of the United States asks of the applicants for office anything but that they be honest, capable, faithful?

Who will insinuate that he was actuated by any other motives than those of the public interest?

Has not Mr. Jones a right to sell President Grant property worthy thirty thousand dollars, for the sum of one dollar? And has not President Grant the right, if he thinks proper, to appoint Mr. Jones to a foreign mission?

Does not the whole country belong to Grant?

Who will dare question his indisputable authority?

Who has the impudence to charge the President with corruption and malfeasance in office?

That gift of the thirty one acres—did not Mr. Jones have full power to make it?

That appointment to Belgium—did not Mr. Grant have full authority to confer it on his friend and benefactor, J. Russell Jones, Esq?

This only goes to show the President's *gratitude!*

Who will, after this dare, charge him with corruption?

It is all perfectly natural—this gift of the thirty-one acres—and that appointment to Belgium.

If Stewart, and Borie, and Tom Murphy were rewarded with positions after making gifts, why may not Russell Jones also?

WHY OUR GAINS WILL BE LARGER IN THE WEST.

Comparing the result of the State elections in 1872 in Maine and Vermont with the elections held in 1868 in these two States, the reduction of the Radical majority and the increase of the vote for the Liberals there, applied throughout the Union, will give Greeley a decided majority in November.

But there is every reason to believe the Middle and Western States will make much larger gains for our cause than were made in Maine and Vermont.

Leaving out of view the large accessions to our ranks from native Republicans, we have had enough re-enforcements from the German Republicans to turn the scale in our favor in Indiana, Ohio, and other doubtful States.

In Illinois, also, thousands of Germans have flocked to the standard of Koerner and reform, and we are gaining ground every day. A great revolution has taken place in political sentiment there.

Therefore, we can confidently claim heavier gains in the Western States than were recently made in New England. In Maine and Vermont, the German population does not amount to anything in numbers.

The efforts of Senator Schurz, seconded by many of his former countrymen, first set the tide of the German element in our favor, and the feeling has been steadily growing stronger and stronger until there is no longer any doubt on which side its chief strength will be cast in November.

Four fifths of the Germans will vote for Greeley and Brown.

RESIGNED.

Rev. James Blythe, Radical member elect to the Legislature from Henderson County, owing to the fact that his seat will be contested by his opponent, Mr. Waddell, has concluded to resign, as he prefers to take another chance under a new election!

If Mr. Waddell is elected to his seat, we do not see how he can be defrauded out of it by the resignation of a person who was not legally elected!

SHOW THE BOOKS.

Referring to the frauds and corruptions in the Radical Administration, in a recent speech in New York, Governor Seymour exclaimed—"Show us the books!"

The Radicals have been in possession of the reins of Government for a number of years. They have managed the affairs of the nation without hindrance and without account. Corruption has been rife. Defalcations after defalcations have been committed. Men of bad characters have held high fiduciary positions in various departments of the Government. Who can rely on the statements of the disbursing officers that are occasionally made public? The Radical party have managed things their own way, and always report in their own favor. There is a restless anxiety in the public mind to get at the true condition of the Treasury Department.

In order to do this, there must be a change of Administration and a general overhauling of the official records.

In other words, *the people want to see the books.*

The books can never be seen so long as the present corrupt and venal Administration is in power.

Our financial affairs are in the greatest confusion. No man can say how many millions of dollars of the public treasure have been stolen during the last four years.

Let us see the books!

H. GEO. SNOW, ESQ.

In an editorial yesterday, we asked to know why it was Sub-Electors had not been appointed for Wake and Orange Counties.

In justice to Geo. H. Snow, Esq., Chairman of the Democratic Conservative Executive Committee for the County of Wake, we would state that it is no part of his duty to make such appointments, but that it devolves upon the District Executive Committee. That Committee has made appointments for all the Counties in this District except Wake and Orange.

Mr. Snow has not been written to or consulted in regarded to the Sub-Electors for this County, but will take pleasure in giving all the assistance in his power in this matter when solicited to do so.

We make this statement inasmuch as our remarks might possibly be misconstrued by some into a reflection upon Mr. Snow's conduct in the premises. Nothing of the kind was intended. As Chairman of the Wake County Committee, he did good service for our party in the State election—displaying much activity and vigilance.

CREDIT MOBILIER FRAUDS.

The recent unsatisfactory denials of certain parties in the Credit Mobilier frauds have only whetted the public anxiety to know the truth of the matter.

Mr. Oakes Ames cannot—dare not deny the letters in his own hand-writing addressed Col. McComb, in regard to where he had placed certain shares of the Credit Mobilier.

The statements made in those letters, proved beyond a doubt that certain Congressmen were bribed, and that Ames himself had offered the bribes.

The newspapers continue to demand the facts.

The Cincinnati *Commercial* gets off the following on the subject:

The good Mr. Blaine
Came up out of Maine
As poor as the proverb's church mouse is,
But when he returned
His pockets all burned
With riches in gold and in houses.

How came Mr. Blaine
So poor down in Maine,
In Congress to fatten so quickly?
Why, Mr. Oak Ames
Had a long list of names
With shares written down on them thickly.

And poor Mr. Blaine
Well knowing that Maine
Could seldom her church mice enrichen,
Made a trade of his wares
For some sheaves of those shares,
And fed on the Oakes like a lichen.

IMPORTANT MEETING.

See the call of the State Executive Committee, for a general meeting to be held in this city on the 10th of October.

At this meeting, it is expected that every member of the State Executive Committees of the Conservative and Liberal Republican parties, and of the Conservative Executive Committees of the Districts will be present, in person.

Important questions, such as the organization for the Presidential campaign, the appointment for mass-meetings and various other matters affecting the vital interests of our cause, will be discussed and disposed of.

Let every member who can possibly do so, be sure to attend.

PENNSYLVANIA SAFE.

The recent letter of Governor Curtin has given a fresh impetus to the Liberal campaign in Pennsylvania.

It is almost morally certain that if Pennsylvania goes for Buckalew in October, it will go for Greeley in November.

"As goes Pennsylvania so goes the Union."

Pennsylvania is safe for us!

Mr. Greeley says in his public speeches that the election of Buckalew is a fixed fact.

Let the friends of honest government take hope and press on to victory!

The following Congressional nominations have been made by the Republicans of Illinois: First District, J. B. Rile, second, J. D. Ward; third, C. B. Farwell.

GOOD APPOINTMENTS.

We publish this morning the names of the Assistant Electors for the Districts, appointed by the Chairmen of the Conservative and Liberal Republican Committees.

The appointments will, we think, give general satisfaction.

Messrs. Myers and Trivett are Liberal Republicans.

NEW ADVERTISEMENTS.

NOTICE TO CITY TAX-PAYERS!

1st Day of November,

I hereby give notice that I shall be compelled to publish the names of all delinquents after that date.

DR. TUTT'S SARSAPARILLA & QUEEN'S DELIGHT.—No remedy possesses so many valuable Medicinal Properties as this combination of Roots, Herbs and Barks. The Queen's Delight is acknowledged by physicians to be the most powerful remedy known for Impure Blood, Liver Complaints, Nervousness, Female Complaints, Constipation, Rheumatism, Diseases of the Kidneys, Syphilitic Affections, Skin Diseases, Chronic Complaints, &c. But in this preparation it is combined with other vegetable products, which render its virtues doubly valuable. Most diseases have their origin in the blood, and as a Blood Purifier the Sarsaparilla and Queen's Delight has no equal. It requires but a trial to convince the most sceptical.

For Female Complaints, whether in young or old, married or single, at the dawn of womanhood or the turn of life, Dr. Tutt's Liver Pills are an acknowledged remedy.

Dr. Tutt's Hair Dye is the Best in the World

KEEP THE HAIR UNBLEMISHED.—"I am like an old hemlock—withered at the top," said a venerable Indian Chief, pointing to his thin and bleaching locks. Thousands of men and women in civilized society, much younger than the old Sagamore, are like him, "withered at the top," simply because they have neglected to use the means of preserving and beautifying the hair which science has placed at their disposal. If LYON'S KATHAIRON be faithfully applied once or twice a day, to the fibers and the scalp, it is just as impossible that the hair should decay, wither, fall out or become harsh and fuzzy, as that a meadow, duly refreshed with nightly dews and sunlit rains, should become arid and barren of green blades. This matchless preparation not only keeps the hair alive and the skin of the head in a healthy and clean condition, but actually multiplies the filaments and imparts to them a lustre, flexibility and wavy beauty unattainable by any other mode of treatment. It does not, like the metallic and sulphurous hair dyes, dry up the natural moisture of the scalp, but supplies nutriment to the roots of the hair and vigor to the fibers.

DR. SAGE'S CATARRH REMEDY.—$500 reward for an incurable case. Sold by druggists, or by mail, 60 cents. Address R. V. Pierce, M. D., Buffalo, N. Y.

THE Asheville *Citizen* says a true bill has been found in Macon county, against Bayless Henderson, for the murder of Captain Nimrod S. Jarrett and the case will be tried at the next term of the court.

HUGH F. MURRAY, Esq., of Washington, N. C., addressed the Greeley & Brown Club, of Wilson, on last Thursday night. His effort is highly spoken of. Mr. Murray is the talented editor of the Washington *Express*.

WE learn from the *Pioneer* that a few days since Miss Enloe, of Henderson county, whose father is a fruit distiller, was engaged in holding a light for him while engaged in what is called "doubling," when she held the light too near the liquid and it ignited, she swallowing the flames and dying from her injuries.

THE MURDER OF CAPTAIN N S. JARRETT.—We give the following particulars, taken from the Asheville *Citizen*, of the killing of Capt. N. S. Jarrett, notice of which has before appeared in these columns:

On Sunday morning last, the 15th inst., Capt. N. S. Jarrett, a highly respectable gentleman, and one of the first citizens of Western North Carolina, was murdered on the road about one mile above his house, on the Nantahala river, while on his way to Macon court. Circumstances point very clearly to a young man by the name of Bayless Henderson, who is a citizen of Sevier county, Tennessee, as the perpetrator of the act.

Captain Jarrett left home about 8 o'clock in the morning, and at or near the point where murdered, it is supposed, was overtaken by Henderson, who walked along with him a short distance, and then allowed him to get in his front (Jarrett was on horse-back and Henderson walking,) raised his pistol and shot him in the back of the head, killing him instantly. He fell from his horse, and was robbed of what money he had, from $25 to $40, and a patent lever silver watch, and he then dragged him some ten or fifteen paces in the direction of the river, evidently intending to throw him in, but the assassin, doubtless taking fright, left him, as his tracks showed, waded the river and went back home or the place where he was staying—Mrs. Pace's. So hurriedly did he do his work, that in getting out Captain Jarrett's pocket-book, he tore out the pocket entire, (of the pants) and so sudden was the jerk that tore off the watch, that a part of the guard was left around the neck.

The pocket containing the pocket book was taken some fifty yards and thrown down; then wading the river and going some two hundred paces, the party sat down and took the money from the book with some notes and other papers.

The circumstances that point to Henderson are these: He left the house of Mrs. Pace about sun-up in the morning and did not return until about 9 or 10 o'clock. When he came back, his pants were wet, looking as if he had been wading in water. He stayed there but a few moments, and then went off to a neighbor's house, where he was informed of the murder of Jarrett. He went down where Jarrett was, and was aiding other parties, who had arrived, in tracing or tracking the party who had committed the offence. His excited manner and efforts to mislead the tracking, soon aroused the suspicion of those in search. This led to the measurment of his track, which showed an identical correspondence with the track of the assassin. He had been circulating around the neighborhood for several days, making inquiry for Jarrett, saying that he wanted to see him to get some money changed. The evening before—after night, in fact—his (Henderson's) pistol had four loads in it; when found next day, it had but three. When arrested, and asked about making inquiry for Capt. J., the two or three days before he said that he had a ten dollar bill which he wished Jarrett to change, and that it was then in his valise at Mrs. Pace's, but when an examination was made of the valise, it was found to contain no money. As soon as the murder was known through the neighborhood, the suspicion of every one rested upon Henderson. The daughter of Captain Jarrett had, for some time, had fears that her father would be murdered by this man, as he was a suspicious character, and showed a little too much friendship for her father. Henderson had learned some days since that Captain Jarrett had received for the sale of some cattle, three or four hundred dollars in money. Before the arrest and Henderson knew that he was suspected, he remarked to some one that he had a notion to go on to Franklin, buy a suit of clothes and go on to Tennessee, and then asked the party to whom he was talking, if he thought that much money, (enough to buy the clothes,) would arouse any suspicion about him. The tracks made by the shoes of the assassin had been half-soled. The shoes that Henderson had on were exactly the same size, but had on no half-soles, but the pegs and tacks sticking out, showed that these soles had been taken off but a short time. The Coroner and principal witness, who made a thorough examination of the case, say they have no doubt of Henderson's guilt. He is said to have bragged that he had killed men in Tennessee, and if any of these North Carolinans fooled with him he would show them what powder could do. He is said to be the best shot with a pistol, ever known in the country. He can shoot the five balls of his pistol within the space of a man's hand, 50 yards off; can hit a tree with ease one hundred yards; kills squirrels out of any tree with his pistol—thus showing his ability to hit where he pleases, in shooting Captain Jarrett a centre shot in the head.

* * * * * *

The above was written while we were in attendance at Franklin Court, since then Henderson called a man by the name of Holland to the jail and directed him to go to a certain place, and there in a hollow stump, he would find some money, which he wished brought to him. This conversation was heard by the jailor, who informed the friends of the deceased, when search was made and the money, $29,50cts, was found. One or two bills of this money was identified by Capt. A. T. Monday, the son-in-law of Capt. Jarrett, as the money of Captain Jarrett He let Captain Jarrett have the money the day before the murder.

There is now no doubt of Henderson's gvilt.

Following Father Hyacinthe's Example.

Father Hyacinthe's example will be followed, it would appear, by a large number of French priests, who, the *Patrie* states, are going to renounce publicly their vows of celibacy. The publicity of the renunciation is the chief novelty connected with the marriage of priests in France. The Paris *Journal* is a supporter of the throne and altar, and held in favor at the Archiepiscopal Palace behind Notre Dame.—And it says that in the Diocese of Paris alone the average number of priests who marry is from twenty to thirty in the year. It mentions that when the Abbe Michaud announced to the Archbishop his intention to take a wife, he met with no opposition. All that was said to him was, "Marry, since you must, but make no noise about it." The French priests aspiring to matrimony have great difficulty in persuading women of respectable rank to espouse them.—There is (says a Paris correspondent) both a strong prejudice against churchmen who break their vows of celibacy and a legal hinderance to their getting married. The nullity of a priest's marriage was established a few years ago in a celebrated suit, in which Madame Claude Vignon, the accomplished Parliamentary correspondent of the *Independence Belge*, was plaintiff.

This lady, who just had become the wife of M. Rouvier, a Marceilles deputy, had not much trouble in putting away her first husband, because he had been in holy orders before she married him. The children born of the marriage went to the mother, for the father was incompetent to give them so much as the *quasi* legal status of *enfants reconnus*. Jules Favre exerted all his eloquence on behalf of the repudiated husband, but the tribunal before which the case was brought, ruled that "marriage with the church precludes civil matrimony." This jurisprudence is a disgrace to French society. But it is a fact which should not be overlooked by ladies who fancy French priests.

A REMARKABLE CRIMINAL.—A boy named Jesse Pomeroy was arrested in Chelsea, Massachusetts, on Thursday for the perpetration of a series of atrocities upon boys older and weaker than himself. He was taken to Boston and fully identified as having committed similar crimes in that city, and subsequently confessed to his misdeeds. The *Advertiser* says: "In a number of instances he has cut small holes under each of the eyes of several boys' faces, which leaves them disfigured for life, while in other cases he stabbed them in the thighs and other portions of the body. He said he was sorry for what he had done, and could not tell what had prompted him to do it. He has always borne a good reputation as a quiet and peaceable boy, and would hardly be suspected of committing such offences as those with which he stands charged. He appears to be perfectly rational, and has not the least indication of insanity. In the Probate Court yesterday afternoon an examination of the boy was had, and he was sentenced to the reform school at Westborough during his minority." The action taken seems most judicious under the circumstances, and the result is a subject for curious speculation.

Miss Violetta Colville, daughter of Mr. Samuel Colville, of the Olympic Theatre, New York, has lately achieved a phenominally brilliant success at Savona, Italy, as Adina, in "L'Elisire d'Amore." M. Wartal, the eminent Parisian professor, says she is a Malibran, and has the most beautiful musical organization he ever met with.

The Attorney-General of the United States is credited with having expressed himself in favor of the Cuban patriot cause, while declining to reopen the case of the Cuban privateer Pioneer, condemned for violating the United States laws.

Mr. Elijah Williams, an old and esteemed citizen of Christiansburg, Va., was run over by a ballast train on the morning of the 26th and died in three hours from the effect of his injuries.

Mr. Charles Bowyer was waylaid and killed near his home, in Montgomery county, Va., on the night of the 25th inst.

Hon. William Williams has been nominated for Congress by the Democrats of Buffalo, New York.

The amount of money in the Virginia State Treasury on Thursday last was $1,098,649 88.

Joseph Parish, Esq., the President's Private Secretary for signing patents, is dead.

SPECIAL FEATURES AND ADVANTAGES.

1st. No restriction on Residence or Travel.

2d. No extra charge on lives of Females.

3d. Policies incontestable after Five Years

4th. The rates of Interest on the Funds of the Company are higher than those on the Funds of Companies located in other States, thus insuring larger Dividends to Policy Holders.

5th. The Directors and Officers of the Company are prominent NORTH CAROLINIANS, who are KNOWN to be men of INTEGRITY and WORTH.

6th. The Company is established on a solid and permanent basis, steps having been taken to increase the Capital Stock to $500,000.

7th. ALL THE FUNDS OF THE COMPANY ARE INVESTED IN THIS STATE AND CIRCULATED AMONG OUR OWN PEOPLE. This fact should commend the Company, above all others, to North Carolinians. It is well known that hundreds of tuousands of Dollars in Life Premeums are annually sent North to enrich Northern Capitalists, thus continually draining our people of immense amounts which should be kept at home. On this ground the friends of this Company confidently appeal to every son of the Old North State, and ask their support for this HOME INSTITUTION, which, while it offers substantially all the advantages of Northern Companies, helps to build up HOME INTERESTS.

"IDLE WILD"

FOR SALE

—AT—

AUCTION!

That Splendid property, on Newbern avenue, in the city of Raleigh, known as

"IDLEWILD,"

(The former residence of the late John Cotton), is offered for sale.

The dwelling is the largest and most perfect private residence in the city, containing fifteen rooms, as follows: One 32x22; five 22x22; seven 20x20; two 15x12, and two large halls; a passage way 48 feet by 10. The house is two stories, with dressed rock basement, upper and lower porches with large columns on each side. All the necessary out-houses, stables, carriage house, &c., &c., are on the premises.

The lot contains about three acres including a large garden with the most magnificent oak grove surrounding the residence to be found in the State; a most beautiful and sloping lawn of ample depth and width fronts the dwelling. This property is the most desirable in the city—situated on an elevation of some fifty feet above the Capitol; the healthiest and most attractive and growing part of the city; the grounds, fences, residence and out-buildings are in the most perfect order—not one dollar is required to be spent on same.

The above valuable property will be offered for sale at the Court House door in Raleigh, on Wednesday, October 16th, at 12 o'clock. Terms easy.

N. B.—This property has been highly recommended for a Boys' Civil or Military School; an institution of both kinds sadly needed at this point.

VALUABLE LAND FOR SALE

IN THE

COUNTY OF WARREN.

I offer for sale, five hundred and two (502) acres of land, situated in the county of Warren, on Shocco Creek, adjoining the Sulphur Springs. Tract of Col. J. M. Heck, on both sides of the Turnpike Road, leading from the Sulphur Springs to the flourishing Town of Ridgeway, on the Raleigh & Gaston Railroad, and nine miles from the latter place. There is an Overseer's house, three cabins, corn-crib and stables on the premises. About one-fourth (¼) of the tract is in original growth of oak, hickory, &c., one-fifth in second growth pines. The soil is sandy, loam and chocolate—surface undulating—well watered, and about 80 acres of rich bottom land. It yields excellent crops of corn, tobacco, wheat, oats, clover, &c. This is one of the best tracts of land in this section, and will be sold on reasonable terms.

Dr. George Fields, who resides near the land, will take pleasure in showing it to persons wishing to examine it, and is authorized to negotiate for its sale.

THE NEW NAME.

What shall I call her when we meet?
She knew no other name on earth
Than that which mothers find so sweet
Though words be cold and little worth;
"Our baby," seemed a name complete.

But now, so many years have flown
Since from my tearful gaze she passed,
How shall I, in the great unknown,
Amazed where all is strange and vast,
How shall I there reclaim my own?

What sweet, rare title does she bear?
For when I meet her on that shore,
Grown wise and great as she is fair,
"My baby," I can say no more,
For I shall be the infant there.

UNION SHUTTLE SEWING MACHINE.

AGENTS WANTED

In every county in North and South Carolina. Unparralleled inducements offered to Agents, larger commissions being paid than is done by any other Company.

This Machine is particularly adapted to those persons who are unable to purchase one of higher priced Machines, the prices ranging from $25 to $55. The UNION SHUTTLE is the only low-priced Lock-Stitch Machine that has any claim of merit in it. It stands without a rival for its durability, strength and firmness of finish, making, at a low price, a Sewing Machine equal to the highest priced ones, and, in some respects, superior to them all.
